About Us....

Our mission is to make disciples for Jesus Christ of all people. Once this has been established, then teach the believer their rights and privileges in the kingdom of God, so that they may duplicate that very mission.

Our pledge is to correctly analyze, accurately divide, rightly handle, and skillfully teach the Word of Truth

Our creed is that Enon Missionary Baptist Church is a Word of Faith and Holy Spirit led church ministry, where we believe the Bible is God's instructional manual for church operation, structure and function. We acknowledge God the Father, God the Son, and God the Holy Spirit; our belief in spiritual gifts and their operation is firm. Being fully persuaded that every person has a place and a purpose in the body (the Church). We endeavor to help develop and instruct

Kingdom living and service to the glory of Jesus Christ.

YOU HAVE THE POWER!

2 Corinthians 2:13-17

God has given power to every believer! It is not a mental or physical power. It is DIVINE power. You can't see it but you know when it moves. Jesus gave us power and authority to walk inside our divine nature and benefit given to us by HIM. Power and authority are interchangeable. They are defined as the ability to perform an act or deed. He has empowered you to get wealth and walk in blessings. You should expect to prosper. Don't allow your job or careers to tell you how prosperous you can be.

But what good is it to have power and not use it? This power that he has given you is to be exercised, moving from the old to the new. You have full authority to hijack anything the devil throws out to you. When you exercise it, things start to change. Don't run. Use your power. It is time to STAND!

The word of God is the key to shut the enemy down. Know that you have the power to speak, to rebuke, and to cast down.

Loose your power, then loose your PRAISE!

Cultivating the Fruitful Fruit of Love

EMBC Covenant partners and visitors filled the E-Life Building to partake in this year's Relationship Seminar conducted by our Ministry Gift, Pastor and Elect Lady Hayes. Teaching on the theme, Cultivating the Fruitful Fruit of Love, (Galatians 5:22a...But the fruit of the Spirit is Love) Pastor Hayes blessed and ministered two nights on the love of God and how we as Christians should cultivate HIS love in all of our relationships. Participants were able to ask questions to gain more wisdom on their individual situations. Not only did this year's seminar feed us with spiritual food, we were served each night with a light and delicious meal prepared by Elect Lady Hayes.

**EMBC
Relationship Seminar 2012**

"You must prove your love. Sometimes we treat love like a thermostat. We don't check to see if we are holding a steady level. You must prove your love and put a demand on it. It only produces when you put a demand on it. When you don't go the extra mile, you don't reap the benefits of it. You want love to produce. It is not ashamed and unlimited. You shouldn't hide love because of what someone thinks of you. Love doesn't mind expressing itself. It is the process of cultivation. It is the feeling that makes you DO something. You can not have love generating inside you and you do nothing.

Know that love is never a waste and it is strong enough to handle any test and any challenge. It will over power any feeling, anger, bitterness, lust, insecurity and envy. You must know that the enemy is trying to pull you out of love, but you must wear it so others can see it".

Keep yourself in the love of God.

Pastor Stanley E. Hayes, Sr.

1Cor. 13 & Romans 8:35

"For God so loved the world that He gave His only begotten Son, that whosoever believes in Him should not perish, but have eternal life."

John 3:16

From our participants...

"This was an outstanding seminar on love. Pastor, as usual, did a great job outlining the types of love during his teaching. It is such an honor having such loving examples of love before me. The decoration and set-up was great. Elect Lady, you are truly a woman after God's own heart. I enjoyed the humor as well as the seriousness of it. God bless you both! Thank you for the WORD!"

"I loved everything! Set up was beautiful and refreshments were great. We may be able to turn it into a semi-formal affair."

"Everything was lovely. I wouldn't change anything."

"I enjoyed the seminar and everything was beautiful. The lesson was great and also the decorations. It was great to see we're at another level." God is truly taking us to another level. Every year it gets better and better. I'm so blessed to be apart of this ministry. God is good! Everything was beautiful!"
